

Product: **Wi9DB**

Type: **9ltr cartridge operated water extinguisher**

Application: General-purpose extinguisher. Typical applications can be found in hospitals, supermarkets, hotels, public places, restaurants, industrial units and many others.

Features:

- Robust design
- Controlled discharge operation
- High quality epoxy resin finish (weather resistant)
- Fully BS-EN3:1996 certified
- Quality lining

Benefits:

- Effective fire fighting performance
- Minimum space required
- Rapid deployment
- Easy product training
- External thread
- Quality at the right price

TECHNICAL DATA

Model	Capacity	Type	Weight of charged extinguisher	Extinguishing agent	Volume of extinguishing agent	Working pressure	Discharge Times	Range of jet horizontal	Temperature range	Height mm	Width mm	Depth mm
